Stay Ahead of the Curve With LSAC Legal Education Consulting

Using your goals and priorities as the guidepost, Legal Education Consulting helps you achieve institutional growth and innovation by leveraging your objectives to develop tailored, sustainable solutions for resource efficiency.

Predictive Enrollment Modeling and Assessment

Increase confidence in your school's ability to predict enrollment, including class size, LSAT and GPA medians, and net tuition revenue more accurately. We provide solutions that align with the goals of your leadership team.

Department Leadership and Strategy Review

Get a fresh perspective on department procedures, staffing, and policies to understand the skills a leader should possess. We will meet with you to learn more about your current practices and operations, and we can assist in the hiring process for key administrative staff if needed.

Together with your team, we will analyze the operation and performance of areas such as admission, career services, academic success, and student affairs. We will understand the challenges, identify opportunities, and apply industry best practices to recommend practical steps to enhance and elevate the work and processes of these areas.

Staffing Support and Training

Fill the gaps in your current staffing with experienced help from LSAC. When you run into staffing challenges in the areas of admission, career services, academic support, and beyond, we can assist until you get the team in place. Available for a variety of roles, we can take on administrative tasks like application processing, database management, and staff training. If you need help with interim leadership, we can step in to help with overall office management, strategic work, hiring, goal setting, and more.

Digital Marketing Services

Boost your recruitment efforts by reaching your target audience with precision. Leveraging LSAC's database targeting capabilities and digital marketing expertise, we collaborate with you to create strategic, measurable, cost-efficient media campaigns that connect you with people who have shown an interest in legal education. We'll help you find interested prospects, convert them into qualified applicants, and achieve your recruitment goals.

Custom Report Creation and Evaluation

Make better-informed decisions with Unite Power BI and other customized reports and dashboards that condense your vast enrollment information into powerful data analyses and visualizations. The value of your enrollment data multiplies when analyzed in the context of trend comparisons using aggregated regional and national data.

NextGen Bar Exam Readiness Assessment

Prepare your students for the NextGen Bar Exam with a clear understanding of the exam's requirements and guidance on how to tailor your curriculum appropriately. As the exam shifts towards a writing and skills-based assessment, conventional methods of preparing students will no longer suffice. We will help you develop the curricula and programming necessary to support your students in meeting the new licensing standards.

Academic Program Evaluation

Maximize the rigor of your academic program with our expert guidance using an evaluation process and curricular mapping tailored to your needs and goals. Working collaboratively, we'll review the effectiveness of your academic program using data as the underpinning of the review. This holistic evaluation will identify ways to improve the quality of your academic program, provide feedback to faculty and administrators, and ensure that programs, policies, and curricula are producing desired outcomes.

Diversity, Equity, and Inclusion Consulting

Implement best practices across the curriculum, student life, and campus culture and support the success of all students with our Diversity, Equity, and Inclusion Consulting. These essential training and coaching options empower faculty, staff, and students to spot and overcome bias while promoting a welcoming and inclusive environment for all.

Strategy Consulting

Work with us to build a customized strategy to achieve your institutional goals. Our comprehensive approach begins with a discovery discussion about the specific challenges your institution is facing. Topics covered can include enrollment management, training, bar passage, career services, strategic planning, accreditation, and much more.

Career Services

Elevate the operation and performance of your career services center to better prepare your students for job market success and strengthen employment outcomes. With a focus on the unique needs of your student body and a deep knowledge of the local and national legal employment market, we collaborate with you to create custom solutions to meet and solve challenges. We'll review your career services program, analyze and benchmark employment outcomes, and build a roadmap to help your school attain goals and outcomes. Experienced LEC staff can temporarily fill key leadership and staff positions, providing support and stability.
