EVENT LOCATION

University of Connecticut
Student Union Ballroom (Rm. 330/331)
Storrs, CT 06269

Fair space will consist of one 6' table with a tablecloth and two chairs. Two representatives are allowed per table. There is approximately 3-5' behind each table. Due to space limitations, there will be no pipe and drape. Please plan accordingly and know that you may not go over your allotted table space.

*To purchase a second table if more than two representatives are planning to attend, please choose "add group member" option during registration.

All registrants will receive garage parking for this event. UConn garage parking is now gateless and paperless.

You will be sent a parking link to register for your parking approximately 10 days prior to this event.

Wireless internet is available at no additional cost. Tables are to be assembled between 10:45AM and 11:45AM. As the event is advertised to end promptly at 3:00PM, it is important that your representative stay through the full program. Breakdown of your space may begin at that time.

DRIVING INFORMATION

NOTE: Hillside Rd. between the parking garage and Student Union is closed to motor vehicle traffic. If you have more materials than you can easily carry, bringing a transport cart is recommended.
